Want to know the truth about "star wars"?

Victor Marchetti Is ON THE AIR!

Victor Marchetti, who spent 14 years in a top post at the CIA, reveals some amazing facts about why "star wars" won't work. Listen to his side of the story on SPOTLIGHT ON THE NEWS. He lays everything out for host Lee Roberts in a five-part series you won't want to miss. Marchetti knows why this administration is pushing the "star wars" theory. Is it just to build a bigger defense budget? You'll find out by listening to super-spy Victor Marchetti.
